

URRUTIKO INTXAURRAK

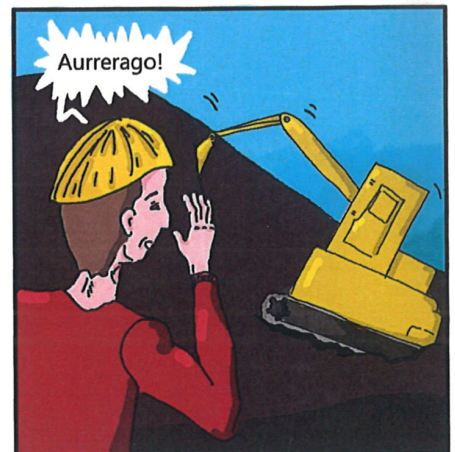

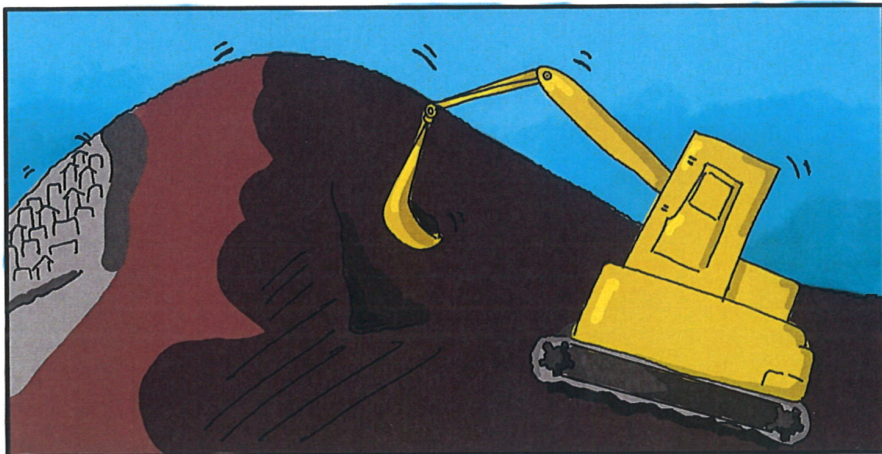

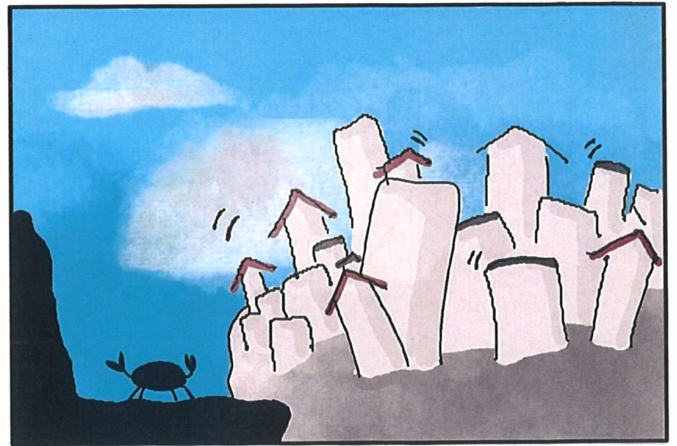

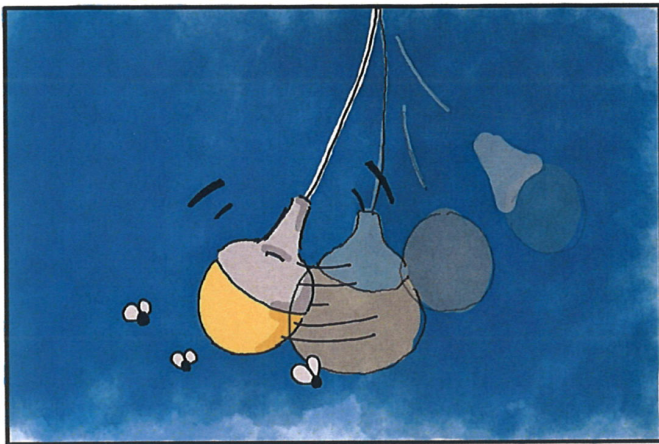

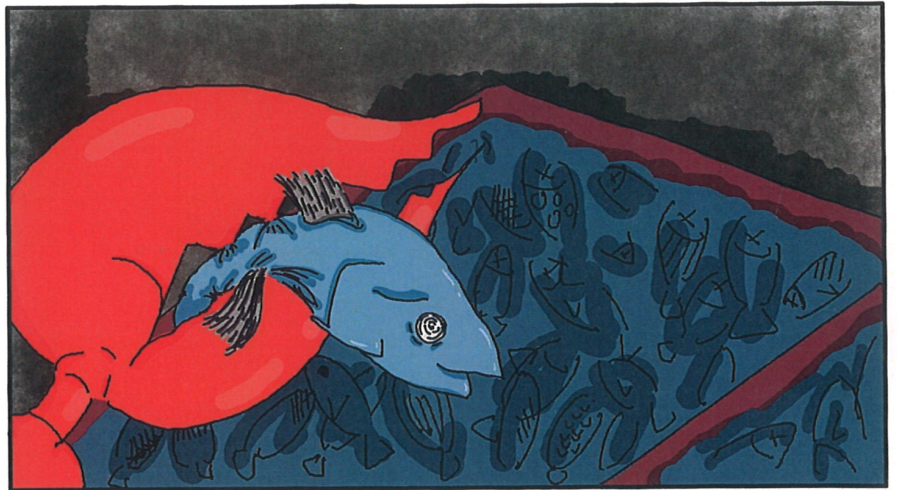

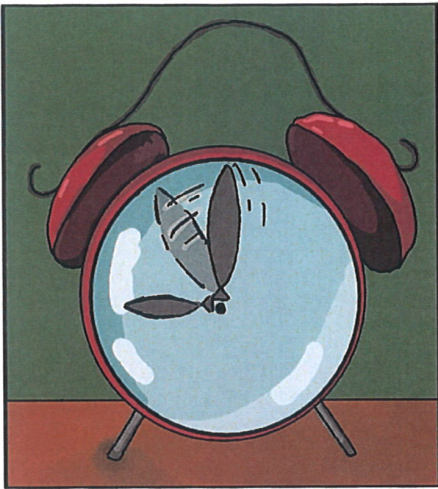

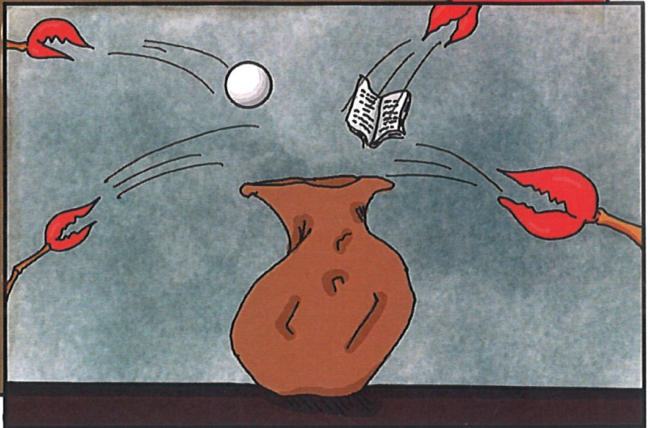

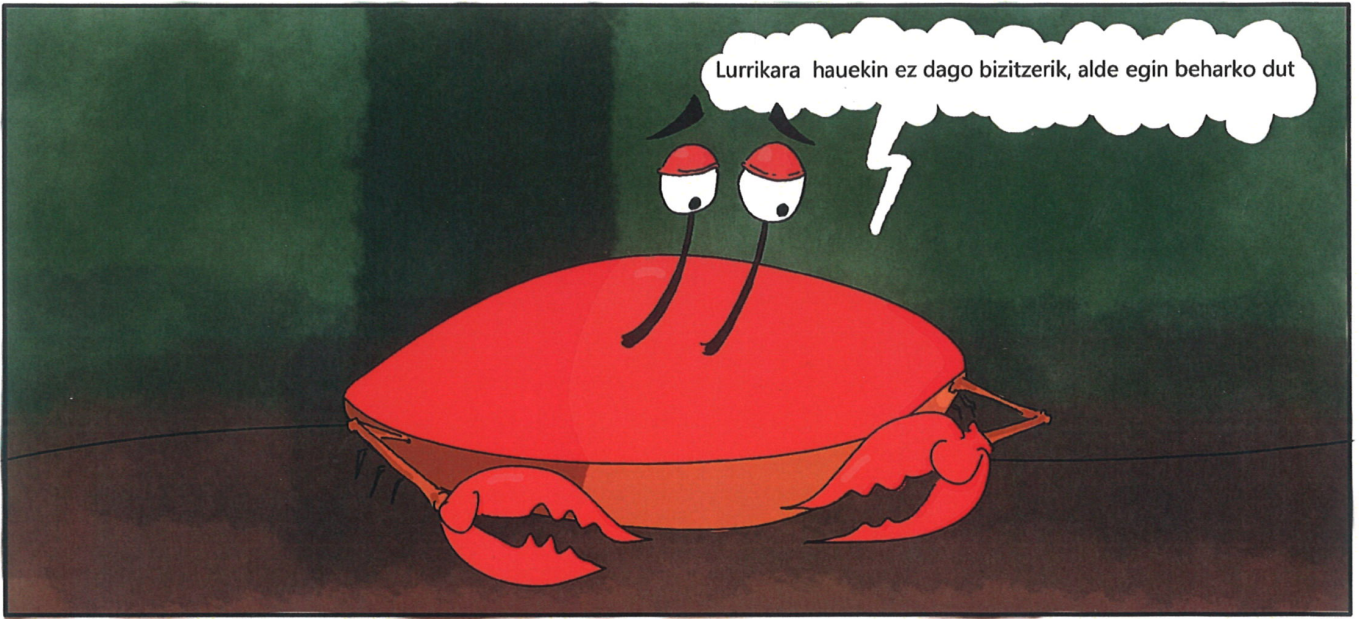

Mundutik urrun dagoen hiri batean

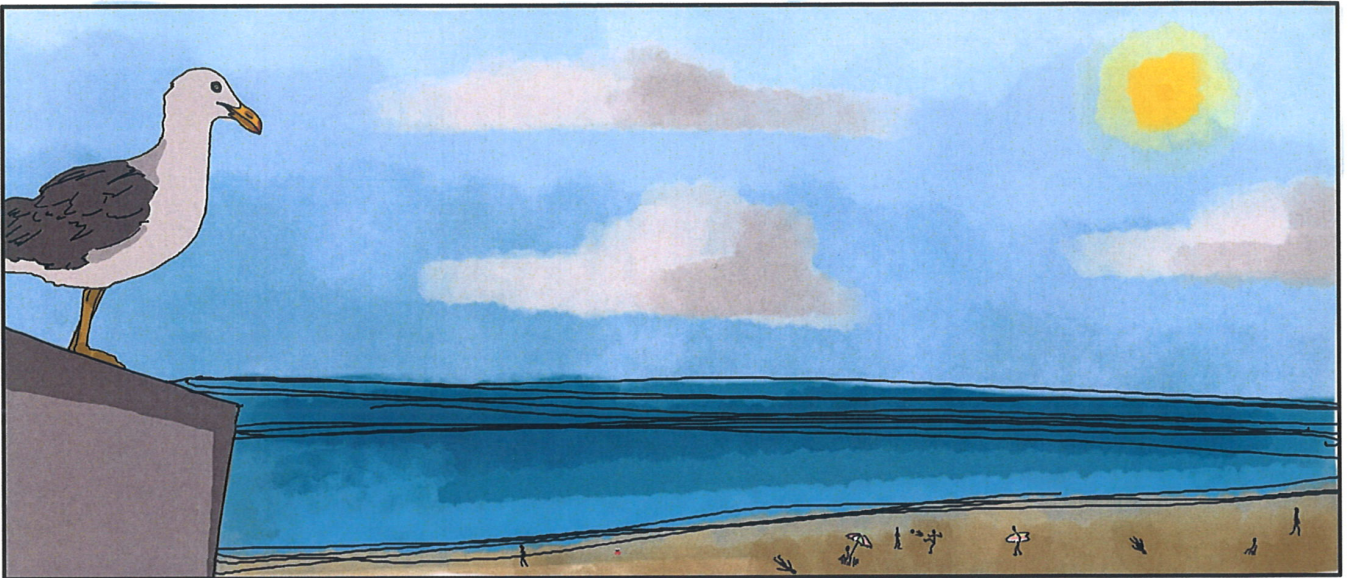

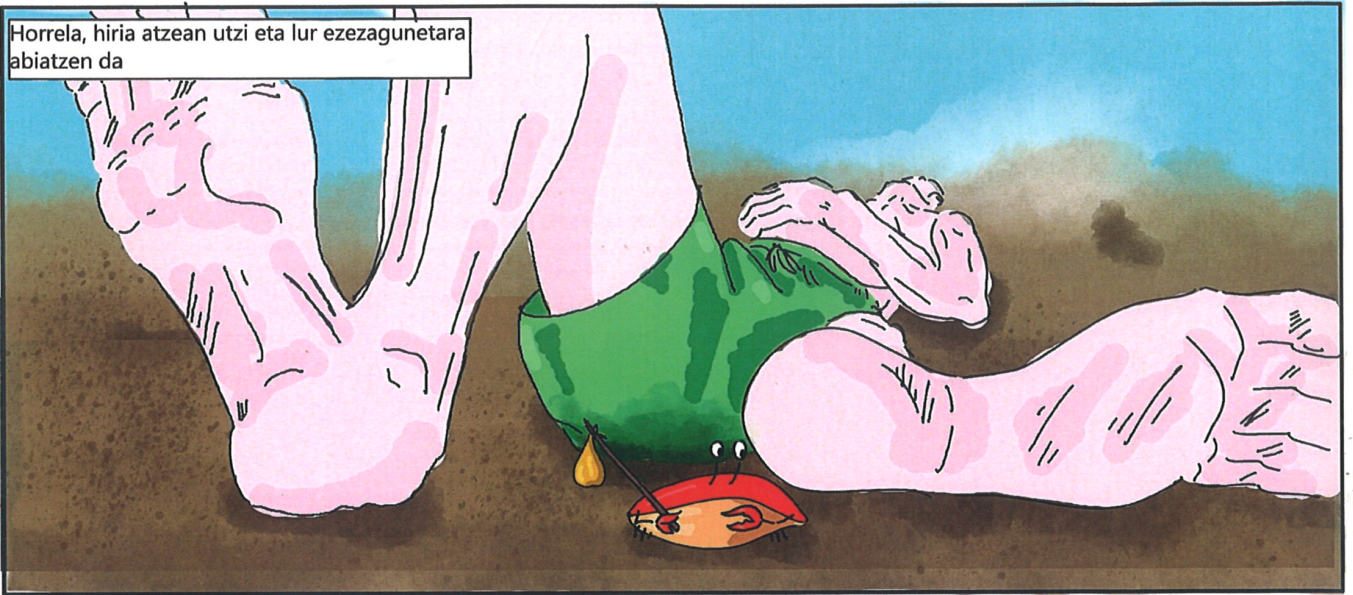

Joseba arrantzalea lanerako prestatzen ari da.

Horrela, hiria atzean utzi eta lur ezezagunetara abiatzen da

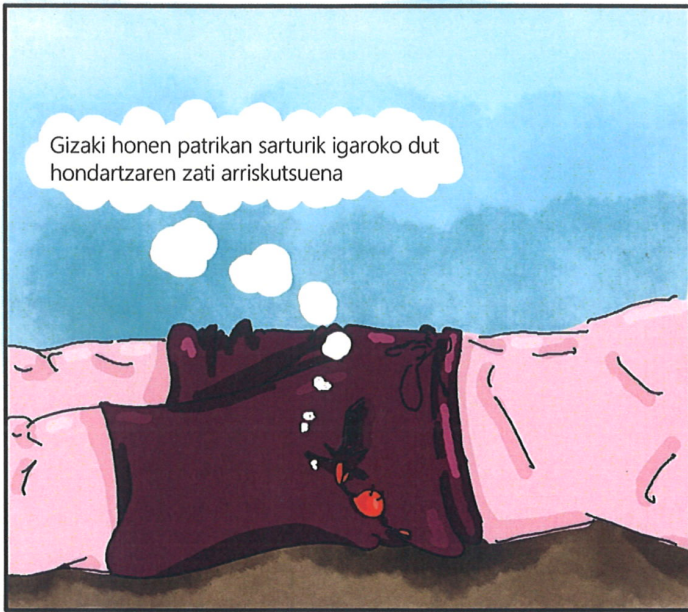

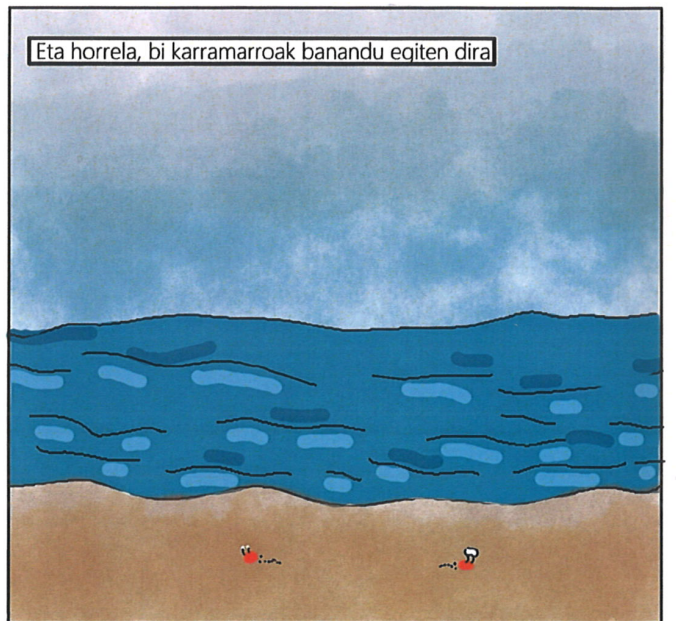

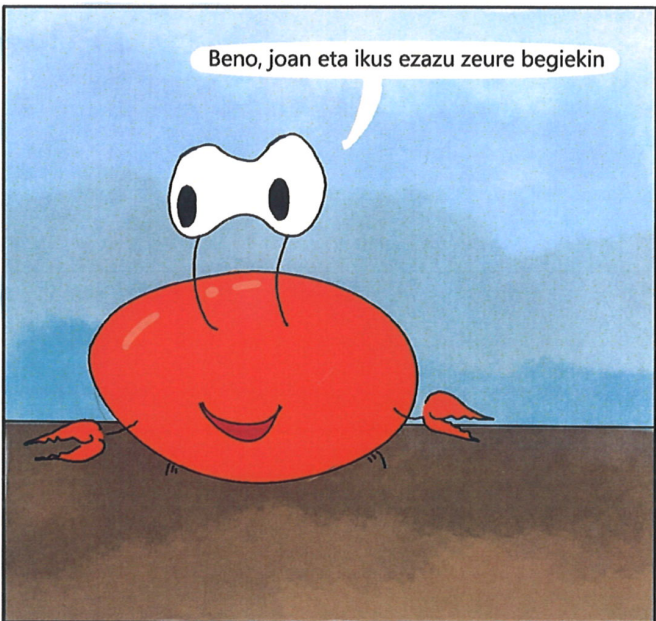

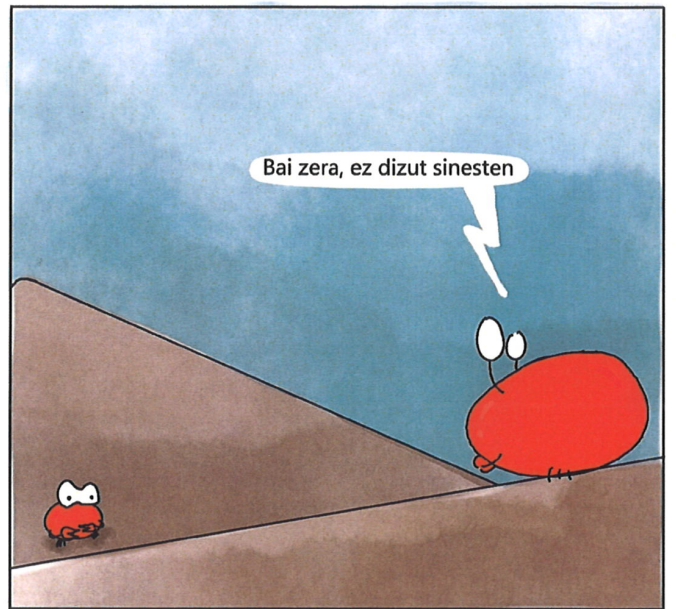

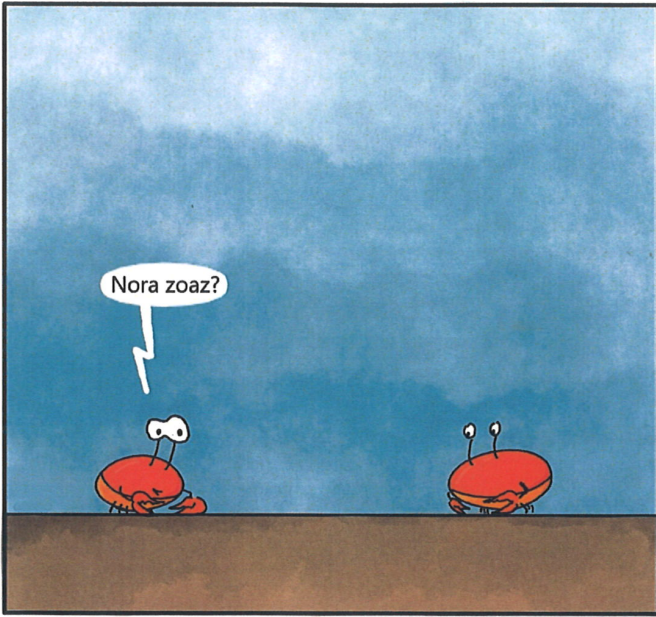

Harrapakariak zain zituen

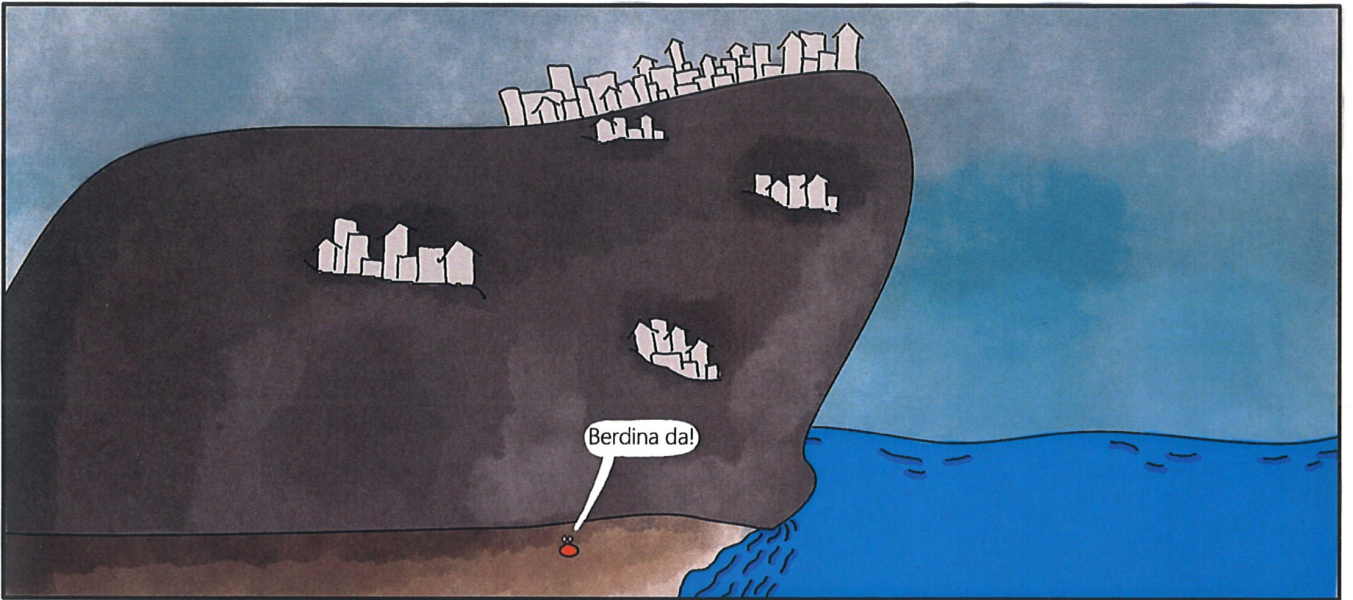

Kaioak iritsi zirenean, gure hondartza bitan banatu zuten eta gure arteko transmisioa oztopatu. Gainera zaila da alde batetik bestera igarotzea

Joseba, denbora askoan ibili ondoren, azkenean helmugara iristen da

Urrutiko intxaurrek hamalau
